

Wheeling Instructions – Mellow Moss

Mellow Moss card stock

4 – 5 1/2" X 8 1/2" – Card Bodies 1-4

1 – 2 1/4" x 4 1/2" – Bag Tag Body

Kraft card stock

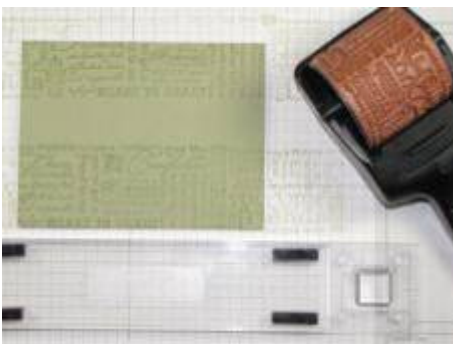

1 – 2 1/4" x 5 1/2" – Card 1 Layer

Medium Envelopes

2 – Very Vanilla

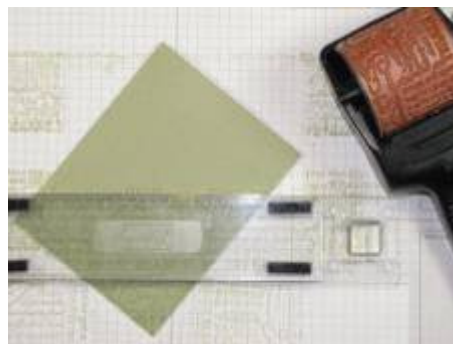

Instructions for assembling each project are in the following sections.

To streamline the projects there will be sections throughout the instructions for the pieces wheeled using each ink color.

1. Score the four – 5 1/2" x 8 1/2" Mellow Moss card stock pieces at 4 1/4" along the 8 1/2" side.

Use the Friendly Words Stampin' Around Wheel with Jumbo Handle and Jumbo Mello Moss ink cartridge, or ink pad.

2. Use the Stampin' Around Wheel Guide and the Friendly Words Jumbo wheel to create a background on the front of the four Mellow Moss card bodies.

3. Wheel two card fronts with a horizontal pattern across the top and bottom.

Wheel two with a diagonal pattern across the entire card front.

4. Score the 2 1/4" x 4 1/2" Mello Moss card stock at 2 1/4" along the 4 1/2" side. Fold and place on scrap paper at a diagonal with the fold on the top left side.

Wheel across tag front to create a background pattern.

5. Wheel lengthwise across the 2 1/4" x 5 1/2" Kraft card stock piece. Be sure you get the vertical "Soulmate" word and about 1 1/2"-2" to the left of it. If you don't the first time flip the card stock over and try again!

6. Open the flaps of two Medium Very Vanilla envelopes and use the Wheel Guide to create a straight line across the flap.

Wheel the flap so the words are right side up when the flap is closed.
