1. Gather supplies listed above. This Old Olive card base will be in the landscape position.

2. Tear a thin strip off of one long edge of the 1-1/2" x 5-1/2" Not Quite Navy card stock. Adhere behind torn edge of 2-1/2" x 5-1/2" stamped One Sheet Wonder piece.

Adhere layers to bottom of Old Olive card front with SNAIL.

3. Use SNAIL to adhere one end of the 3" Elementary stitched So Saffron ribbon to the back of the 1/2" x 4-1/4" Not Quite Navy card stock. Place a bit of SNAIL at the center of the strip to hold ribbon centered. Trim ribbon end at an angle then tear the card stock strip at a matching angle about 1/4" below ribbon.

4. Adhere the layered card stock and ribbon strip to the top of the card front about 3/4" from the left edge with SNAIL.

5. Place SNAIL on the back of the punched oval greeting and adhere with left edge centered just inside the left edge of the punched Not Quite Navy circle. Use a pencil to mark the left center of the oval and punch with a 1/16" Handheld punch then add a Silver Brad.

6. Adhere greeting to the card front with two Stampin' Dimensionals so that the greeting is lined up with the horizontal layers and overlaps the layered card stock and ribbon strip.
